"New Hope Presbyterian Church is a family of intergenerational Christians, bound together by over 250 years of traditional uplifting worship and service to God through our missions and fellowship with one another. We are committed to the ministry of New Hope Camp and Conference Center, and to local, national, and international mission programs. We devote ourselves to support our members and the community in need; to be good stewards of financial, natural, and human resources; and to share our faith in God with those who cross our path."
