(sing as lights are extinguished)

REMEMBER ME

Following Christ Toward the Cross

Extinguish the Lights

Remove Bible and Sanctuary Articles

Depart in Silence

After the candles are extinguished, worship leaders will remove the Sanctuary Bible and other articles as a sign of our nothingness without God. We depart in silence as we remember Christ's journey toward the cross. Join us for a Stations of the Cross service tomorrow at noon (Good Friday).

Take-Home Prayer

God of love,
thank you for knowing us fully
and loving us to the end.
On this night of the Christian year especially,
I am grateful to be part of the community of Jesus' disciples.
Thank you for all those who handed the faith on to me,
and those who continue to teach me by example
what it means to serve you
and to serve one another.
Thank you for making a place for me at your table,
even though I fall short
of what you have called me to be and to do.
In evening's rest,
I remember that, for Jesus, no rest would come
this night or tomorrow.
Yet, in forgiveness and love,
he is with us always:
the light shining in the darkness. Amen.
